Rohan Kapur
Lab 4
CSE 121 Spring 2023
Due 5/10/23

I did not use ChatGPT while working on any part of this lab. I just referenced the esp32c3 online documentation, example code on the esp-idf public repository, my own code from previous labs, and any resources provided in class and lab documents.

ESP32 Documentation:
https://docs.espressif.com/projects/esp-idf/en/latest/esp32c3/api-reference/peripherals/i2c.html
ESP-IDF repo: https://github.com/espressif/esp-idf
